Dear Rhonda:

I would like to take this opportunity to sincerely thank you for your tremendous support of The Leukemia & Lymphoma Society's inaugural Man & Woman of the Year campaign. Our auction was such a success because of you! Thank you so much for making the time to be a part of it. I am so pleased to say that you helped make our first year a tremendous success—far surpassing our goal and raising more than \$140,000 to support our mission to cure blood cancers.

As you know, the mission of The Leukemia & Lymphoma Society is critical—cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families. Through your support, you are making such a significant difference in the lives of so many and providing substantial new funding for lifesaving research.

Again, our sincerest thanks for your dedication to The Leukemia & Lymphoma Society.

Sincerely,

Dick Brown
